My dearest Buddy,

I thought the enclosed would interest you so send them on. I hope they drop John's case as I feel it would be too much of an undertaking for him at his age. I am sure there would be much of interest in it but that would not be all and it would be a great change from the life he has been living for the past few years and consequently a great strain. Whatever Our Lord permits I trust will be best but my private hope is that he does not have to

go back into Training.
We hope your cold is
gone and you are all
right. John Lulligan
would give you some anti-
cold pills if you asked
him. Colds are so hard
to get rid of & make you
feel so bum.

Is your work interest-
ing? I want these to go
so will stop. With best love
for my dearest Brother
