

11.24.82 John Miller has copies of J.H. Griffin & J. Markoe correspondence which he thinks I gave him (if I don't have well give me copies the also has couple tapes of fr He remebering when friend (Haney) & I had beth drunk 2 much friend said he tormented cause 3 times married so felt guilty it tuon went to communion but child had training needed communion, I suggested he see Fr J. but he replied he'd already seen hundreads about

of priests over the years of his torment but agreed to go. later I saw fr J who thanked him for sending the fellow to see him cause fellow had rented truck & they spent the da. delivering furniture, fellow had to empty out at apt. house he owned, to families Fr knew needed furniture. J. was puzzled I ask Fr what about the fellows spiritual problem? Fr said he loves God & Godwill give him enough hope to work it out.

Sun. at Holy family adult edac session between Masses at Holy family John had been asked to talk during their series on "prophets-His subject Fr J. He made long list of controdictions told that it wanted whole pict of prophets he told of the real man. Read to them from J H Grifin courespondence where near end Fr.

Wrote that not only was he at the man Griffin praised but only he Fr. J knew what a sinner he realy was & undesrving but it was there in he made his claim to Griffins friend ship because Griffin in the love of X loved him, & sinner. John M. said Fr. knew himself to be a sinner but knew that even though X loved him & therefore he accepted himself, no remorse, guilt trip He could love himself Knowing he was a sinner because he knew loved him knowing he was a sinner. He was saint & prophet

John M remembers asking Fr. it he ever bacome bitter toward, the church & Fr said, he was blessed in that that he could als had always been able to seperate in the march from the crap the cause he was broken
