Dear Mr Miller

I appreciate very much the courtesy
and kindness of your letter of May 18th
All Father Markoe's West Point classmates
were warmed by the honor paid him by the good
people of Omaha Nebraska.

A recent letter from him tells us
how much he tribute moved him. In happy to
hear that his recovery, after a short rest in the
hospital, has strongly refreshed him.

He is quite a man - one that evades the
lives of all his many friends.

Gratefully

Charles P. Gross
