Now that I know the time  
is drawing near - when  
you are to be away for a long  
time it makes me more  
lonely for you.

Honey I am looking forward  
for a letter from you &  
was in hopes that I might  
get one to-day but I did  
not.

To-morrow is Friday my  
how the time does fly  
& I can hardly realize that  
I will finish school so  
soon, it seems as though  
I should be ready to work

My Own Dear Girl -

This certainly is a nice  
evening dear. I sure would  
of loved to go walking with  
you Sweetheart,  
Garwood and I took in  
a show this evening, There  
seems to be nothing else to  
do but go to a show - and  
one gets tired of those -  
I sure am anxious to see  
you darling each day &  
want you more & more

in the garage or some  
thing this Summer.

yet I hate to see my  
School days come to a close  
all the friends one has at  
School will soon be parted  
and there is a different  
feeling when one thinks  
his School days are over.

Well sweetheart and I  
havent received a letter  
to day and have written  
4 already this week. I  
havent much to say - only  
I just feel kind of queer
