My dear Jim:

Your deeply appreciated letter has just come & I have started it around the loop. It was surely good of you to write under such difficult circumstances, which we all hope & pray will get less difficult as time passes. God permitted all this so just accept it, as you are doing, as coming from Him & continue to offer up the pain & inconvenience in union with The

Suffering our Lord underwent for us. You  
have the help of my Masses + prayers in doing  
this. In a few minutes I am leaving to con-  
duct a weekend retreat for our Law Students  
at St. Columban's Mission House, about  
30 miles south of Omaha, will return home  
Sunday evening. You will be in all our  
prayers during the retreat, so keep up the courage  
& remember we are all pulling for you.

Love always,  
John
