My dear John:

Thanks for a wonderful  
visit. In Chicago I jumped right from  
the Omaha train on to the Milwaukee  
train. I was in my room ready for Mass  
at 10:30 a.m. I slept a good eight hours  
after leaving Omaha. I hope you got home  
Ok and were not too tired. Enclosed are

a number of items for Denny. I thought you might like to see them before given them to him. Moreover, I am not too sure of his address and wouldn't want them Post. The copy of "The Church at Work" is the only copy I have

When I get into the mood I will slowly start to write what comes to mind following a chronological order. I may even get to enjoy it. You may likewise I will try to dig up all the old bound copies of the Chronicle & Interracial Review.

Love

Wm
