

The background is a vibrant yellow. It features four stylized, high-contrast illustrations of animals. In the top left, a dragon with a long, thin neck and a spiky head is shown in profile. In the top right, a turtle with a patterned shell and a long neck is depicted. In the bottom left, a rabbit with long, upright ears is shown. In the bottom right, a wolf is shown in a walking or running posture. All illustrations are composed of black and white lines and shapes, with some areas filled with yellow or red.
