My Own Dear Girl

You should be in
Omaha - it sure is a tough
life all business closed at 5
o'clock office at 3:30. And a lots
of people are out of work because
there is no coal to be had.

This coal proposition is getting
serious, no place to go but to
stay home, street cars stop running
at 11 o'clock. I think we are going
to have a hard winter, This sure
will give me a good chance
to see you dear because I don't
think there will be much doing
because there is so few people
working,

It wouldnt be half bad if
you were here then I could
see you every night, as it
is. We are not allowed to keep
our office open after 5 O'clock
and we cant go to a show or
anything. So what is there to do
I get tired staying home, I have been
studying up on lots of things but
I am getting tired of that.
I dont have a feeling of unrest
So probably darling I can leave
here the 23rd and be at your
place the 24th. I will let
you know. - If things arent
any better than they have been
this week, I dont know much
if I do go a day or two some
well Darling it is now

Closing time and I had better
get out or I might be arrested
and fined because they sure
are strict on regulation.

Good By dear

Deaps of Love
& Kisses
