**A PIANO SALE** by Omaha's Piano's Plus will be held at the Lied Education Center for the Arts Oct. 23-25. The heavily discounted pianos will be made available to alumni, faculty, staff and students first. All new pianos include a factory warranty, bench and delivery. Please call to arrange a preview appointment at 333-9755 for the best selection before the sale is open to the public on Saturday, Oct. 25. Piano's Plus provides the pianos for the Music Department. This sale allows consumers to purchase a new or used piano at substantial sav-

**VEHICLE SAFETY TIP:** Winter is just around the corner. Now is the time to get your car tuned up. Have your brakes, battery, fluid levels and exhaust system checked. Insure that your heater and defroster are in good working condition and that seals on doors and windows are in top shape. Replace your wiper blades. Be ready for snow with antifreeze and winter weight oil. Carry emergency supplies—sand, salt, shovel, snow scraper, booster cables, blankets and flashlight. Of all the things you can do to make winter driving less stressful, giving yourself a little more time to get where you are going is the most important.
