Dear Johnnie:

One of your friends has written to tell me that you followed my bad example of a year or more ago, and that you are now in the hospital. I am relieved to learn, however, that your attack, according to the clipping that was sent me, was not at all severe.

This note is just to tell you to keep your spirits up, to follow exactly the doctors' orders, and to assure you that you will soon be able to resume your normal activities.

With warm regard,

Sincerely,

The Reverend John P. Markos, S. J.,
St. Joseph's Hospital,
Omaha 2, Nebraska.
