Dear Sister Mary Joseph:

Thank you for sending along Fr. John's letters. They arrived this afternoon and I am enclosing the two you requested that I return.

I have also heard from your brother Jim and he promises to send the papers he has as soon as he is able to collect them in a chronological manner.

I was with Fr. John when he died. It was in the hospital. We had a chance to pray together. I gave him a blessing and then he passed away very peacefully.

Again, Sister, I appreciate your assistance in this project. Replies thus far are very encouraging and I will inform you of any completed work.

Sincerely yours,

R. J. Shanahan, S.J.
Professor of History
