My dear Wm:

Many thanks for the copies of the Spiritual Exercises that have arrived. Am glad to have them. I thought that excerpt from a letter to Card. Cushing from Pope Paul VI praising the Exercises + ruling out discussions, bible readings, etc., was excellent.

Another dinner to raise funds for my Educational Fund is being planned. The Archbishop is boosting it + is inviting Bishop Perry of New Orleans to speak during it. The Fund is legally established + since the dinner that launched it over \$2000.00 has been paid out to poor Negro kids seeking an education.

No new developments on the "Live In" except that the Archbishop has definitely approved it. Please send this to the Convent.

Love to all,

John
