Internet 101, "Electronic Discussion Groups," 3:30 p.m., Reinert Alumni Library, Classroom.

## FOCUS GROUP PARTICIPANTS

**Sought:** A team of Creighton faculty is involved in a research project being conducted by the Applied Information Management Institute under a grant from the Advanced Research Projects Agency of the department of defense. The purpose of the project is to create a user-friendly, multi-media based system that will provide timely and accurate geographical information in an easy-to-use interactive format to government decision-makers, private citizens, schools and businesses. As part of the project, several focus groups composed of residents of west Omaha will be questioned regarding user features of the system. Anyone interested in participating in such a group should contact John Gleason, x2624, or Jim

Ault, x2635. Focus group participants will receive a cash payment for participation.

**LOST:** Westlink Pager (pager #977-2035) in the restroom of the Student Center next to room 105. Please call Cindy Adams, at x2004 if found.

**MEATLESS MEALS IN Minutes Cooking Schools:** Join Mary Watson, R.D., and learn tips, ideas and recipes on how to incorporate more meatless meals into your diet. How to use a variety of beans, rice, pasta and grains to create heart healthy meals will be discussed. The class will be held Wednesday, Feb. 15 from 6 to 7:30 p.m. and on Saturday, Feb. 18 from 10 to 11:30 a.m. The class fee is \$10. Call x4929 to pre-register.

**COME CHEER ON** the Lady Jays vs. Southwest Missouri State on Saturday, Feb. 18 at 7:05 p.m. at the Civic Auditorium. Staff, faculty and families will get in FREE with the showing of a C.U. I.D. at the Civic. You will receive FREE programs, autographs from Lady Jays after the game and a T-shirt giveaway during halftime. Call Patti Jacoba, x2768, if you have questions. Co-sponsored by the Staff Advisory Council and Creighton Athletics.

**INTERNATIONAL BANQUET:** Mark your calendars now for Saturday, Feb. 25, 6:30 p.m. in the Student Center Ballroom. Tickets are \$10 for C.U. students and \$12 for faculty, staff and the general public. Tickets may be purchased at the Student Center Information Desk through Feb. 17 or until they sell out.

**CONGRATULATIONS:** The National Boards Part II Dental Examination for the seniors of the School of Dentistry resulted in a 100% pass rate. This is an outstanding accomplishment for which the students, administration, faculty and staff are extremely proud.

**ATTENTION STUDENTS:** Lt. Michael Sanchez will be on campus Friday, Feb. 17 in RS 108 between 1 and 2 p.m. to discuss the advantages of Air Force ROTC and an Air Force career. Information on scholarships and benefits will be provided. An Air Force ROTC scholarship pays for tuition, books and provides a \$150 monthly stipend to students during the academic year. For more information, contact Calvin Naegelin, x2697.

**CREIGHTON UNIVERSITY'S** Theatre department will stage *The Real Inspector Hound*, a comic British murder mystery on Feb. 22-26. Performances are scheduled for Feb. 22-25 at 8 p.m. and Sunday, Feb. 26 at 2:30 p.m. Performances will be at the Interim Performing Arts Center (IPAC) at 30th and Burt Streets. Ticket prices are \$7 for the gen-

eral public and \$5 for Creighton students and faculty.

**RUSSIAN EMBASSY SENIOR** Counselor to Visit Creighton Campus: Edward R. Malayan, the senior counselor for political affairs of the Russian Embassy, will be speaking on "Russian-American Relations" on Thursday, Feb. 16 at 12:30 p.m. in the Student Center, Room 105. He will be highlighting developing Russian-American economic and trade ties. A question and answer session will follow his presentation. Students, faculty and staff are invited.

**FACULTY NETWORK:** Dr. Bruce Malina will lead the discussion at the next meeting of the Faculty Network on Friday, Feb. 24 from 12:30 to 1:30 p.m. in the Spillane Room, Admin. 430. Discussion will cover a chapter of Malina's study of views of self in Paul entitled "Physiognomics and Personality: Looking at Paul in the *Acts of Paul and Thecla*." Copies of the paper can be obtained from Dr. Bryan Le Beau, x2652, or Dr. Jeanne Schuler, x2647. All are welcome.
