Summer Preview: New students and their parents are on campus tomorrow and Friday to meet with faculty advisors, become familiar with Creighton and have their questions answered before classes start in the fall.

Thank you to Creighton staff and faculty for your support of the National Youth Sports Program this summer. More than 300 youngsters benefitted from their experiences on Creighton's campus. A math/science teacher is needed for next summer's five week program. This is a paid position working mainly with youth ages 14-16 who are interested in developing skills and working on the computer. If you are interested, please contact Wayne Morford in the Campus Recreation Department at x2486.

Laboratory Safety Reminder: Ethers represent a class of materials which can become more dangerous with time. Ethers tend to absorb and react with oxygen from the air to form unstable peroxides which may detonate by shock/friction or when they become concentrated by evaporation or distillation.

A Paramedic Refresher course is starting in September at Creighton Pre-Hospital Education. The class will meet one Saturday each Month (September, October and November). Call x1280 for registration information.
