### Reminder About Battery Recycling

Please remember that Creighton recycles all types of rechargeable batteries. Contact Mary Duda (546-6404) or Steve Ward (x2454) for more information or to have your batteries recycled. One type of battery that you may have overlooked is your computer's UPS (Uninterruptible Power Supply) or "battery backup." Please make sure to return it to Facilities Management or Purchasing when it no longer works or you no longer need it. More information about all types of recycling at Creighton can be found at [www.creighton.edu/EHS/PandP/universalwaste.htm](http://www.creighton.edu/EHS/PandP/universalwaste.htm).
