**ON COMMENCEMENT** day, the gathering room for assistant marshals and the presidential stage party will be the Press Room at the Omaha Civic Auditorium. In previous years, we have gathered in the VIP Room, which has been eliminated by recent fire code changes at the Auditorium. To reach the Press Room, turn left after entering the auditorium and proceed to the east concourse. Signs will be posted. The faculty will assemble in the same location as in previous years, in the west concourse.

**CREIGHTON STUDENTS** have named Dr. Edward O'Connor, PhB'43, the 1993 recipient of the Robert F. Kennedy Memorial Student Award for Teaching

Achievement. Dr. O'Connor is a professor of Education, and has been a member of the Creighton faculty since 1957. He will be honored at Commencement.

**CONSTRUCTION** note: Omni Construction will begin work today between Cuming and Burt Streets in preparation for the 23rd/24th Street reconstruction project. Since only one lane of traffic will be closed at a time, traffic flow will not be greatly impeded. On the same day, the City of Omaha will begin to change the traffic lights at 23rd and Burt and at 23rd and Cuming to allow for two-way traffic. For construction updates, call 2866. More information on the street project and its effects on

parking and traffic flow appears in the current issue of the *Colleague* which was delivered to employees this week.

**UNIVERSITY EMPLOYEES** preparing brochures and other printed materials are reminded that the official Creighton University logo as it appears in the Graphic Standards Manual must appear in a prominent place on the material. School specific identification lines may be used with the logo per the Graphic Standards Manual. Outdated logos should not be used, nor should the logo or seal be re-drawn. Public Relations will sponsor a users seminar on the graphic standards in the near future. Details will be announced in the Blue News. To place specific concerns on the agenda call Robyn Eden at 2407.

**TIRED** of being tired? Attend a free seminar on sleep disorders conducted by professionals from the Sleep Disorders Clinic on Thursday, May 13, from 7-8:30 p.m. in the Saint Joseph Hospital seminar room. Topics will include sleep apnea, daytime sleepiness and insomnia. A tour of the sleep lab will follow. Call Med Search at 449-5000 to make your reservation.
