

11-23-49

One of the members of the club, Peggy Fitten from Kansas City, and Mickey Miller, a fellow Kansas Citian, were here at the Center last weekend. Peg told us of the prejudice and segregation in her home town and that little or nothing was being done to correct the situation. However, Peg has hopes of starting a DePorras Club there.

Other visitors to the Center during the past 2 weeks were: John Jamieson, Kansas City, Mr. & Mrs. Jess Pemberton, Lincoln, Ann Lammers, Bartington; Francis Benedict, Richard and Martin Messing of Shelby, Nebraska, and Lynn Seuppe, Shelton, Iowa. Lynn spent 4 days working with us.

Some amateur (but very good) interior decorators rand wild last week and the result is a beautiful coat of grey paint in the kitchen. Jerry, our newest staff worker, did a marvelous job on the store-room with a little white wash and much elbow grease.

Watch the bulletin for further information about Father George Dunne's Famous Play TRIAL BY FIRE, which the Club hopes to present in collaboration with a local YWCA group.

Things We Need

- Prayers
- Money
- Food
- Broom, dust pan
- Candles, new and used
- Ice cube trays
- 2 metal wastebaskets
- GOOD books
- Playground equipment
- Mimeograph

May your charity and our efforts be united so that we together may fight our common enemy, Jim Crow, and help return to a cold world a Christ-like charity towards our fellowman.

Several educational films have been made available to us for the neighborhood children. Now all we need is the use of someone's 16 mm. projector (with sound) and we could have a weekly movie.
