

FAVORITE ANIMAL FABLES

ILLUSTRATED BY BETTY FRASER

Here's a delightful miniature edition of seven of the most beloved animal fables of all time. Even very young children will laugh at the conceits and follies of this all-too-human menagerie—there's the Fox and the famous bunch of sour grapes that remain forever beyond his grasp; the fleet-footed Hare whose cockiness costs him the race against the Tortoise; and, of course, the mischievous shepherd boy, who pays the price of crying “Wolf!” once too often!
