# A COWARDLY BAT

Long ago on the grasslands of Africa, a lion, the king of beasts, was about to eat his prey, when an eagle, the king of birds, flew down and snatched it away.

“Growl. How dare he! I am declaring war against all birds. I will catch and kill them all,” roared the lion. He called together his animal followers.

The characters in Aesop's Fables help to teach moral behavior to our children. The fables, which come to us from Ancient Greece, have gradually evolved into their more modern versions well-known and loved as moralistic stories.
