I was thinking about,?

Well I was just thinking dear about the time I asked you if you would wait for me until I finished school, and now that I am on my last year I am still just as far as I was at that time - you know dear you realize what I mean don't you?

You sure was good to me yesterday dear and I love you to be that way always but I realize that it can't be and I am always willing to give in if things are different

My Own Dear Girl.

Home again where I can just think of you dear. You sure did treat me nice dear and I am very glad that you were in the best of humor. Darling I only wish I could be with you every night, I was just sitting here thinking about you dear. Honey ~~and~~ do you know what

at times,

We almost had one argument  
didn't we and I think that I  
won that one, don't you.

This is one of those very  
pleasant evenings - Gee but I  
do hate a night like this although  
I would not care how the weather  
was if I only could be with  
you dear.

To morrow morning we that  
is the Senior class is to be  
at the Preighton Gym for some  
military instructions Probably  
I might have a lot to tell

you after I come home from  
the meeting & perhaps I won't  
know any more than I do now  
I only wish that we do not  
have to go in Barracks until  
after that teachers meeting  
Darling I realize what a  
letter is to you now in that  
Lonsome Burg. and Honey I  
will try and do my best and  
write every chance I get,  
Darling you will kind of  
excuse me for not writing a  
longer letter won't you dear.  
Good By Dear -

All my love & kisses  
to the dearest and best girl  
in all the world, yours  
Elmer.
