My Own Darling Girl:-

I am so glad you liked the flowers and believe me darling I do wish I could be with you. Sister and I are going to a dance at the Fontenell Hotel, this evening. Gee but it has been a long time since I have been to a dance. I buy a lot of tickets but never go - so I thought I may as well make use of this one. Just about 30 days now and then I will see my darling girl. Honey that was a real nice letter I got from you today, and I sure wish I could see you dear, Gee but it seems as though it were ages since I saw you darling. I only wish it were to night that I could be with you dear. Now darling I won't have much time to write to - night as sis will be here in a half hour and I have a few things to do before I go. But will write you again to morrow  
Good Bye Darling
