Hi Matt,

Forgive me, but did I send you that article about an event that occurred when I was editor of the Register?

And have you heard of a book. "The Rhythm Boys," the story of Central's first all black basketball team, and the tumultuous times race-wise in Omaha in the 1960s?

I was in Omaha two weekends ago and learning from one of my peers that the operetta was picketed because Kenneth Young, a black, was denied a role in the show despite his fine voice. Another peer says she never went to the restroom at Central-she waited until school was out, then went to Brandeis because of her fear of finding black girls "who carried knives.

May I ask how old you are now and do you know a Dick Holland?

My best,

Bill

William Buffett
