① National conference of Christians - Jew's kill open housing

Rejection of open housing by the chief executives of the city - being our city gov - the body known as city council
Their ~~the~~ rejection of opening housing is lawlessness - in every sense of the word because it violates the constitution which is the law of this land, how is it, it lawlessness its lawlessness because it violates the civil and religious rights of people who parents and foreparents fought and died for - furthermore it is serious because the voted choice of the people to represent the people.
Willfully ~~unwillingly~~ refuse to obey the ~~constitution~~ Constitution, the law of this land, it violates the Christian principle, as well as the civil law. (hope I haven't repeated myself) They our city government - are or were conservative enough to see the need of open housing but not liberal enough to recommend it, furthermore what is open housing ~~any~~ anyway - ~~the~~ ~~not~~ ~~to~~ me, it means and is the invasion of the constitutional law
