Dr. Cam E. Enarson, vice president for Health Sciences and dean of the School of Medicine, was elected as chair-elect on the Governing Council of the American Medical Association (AMA) Section on Medical Schools. The AMA Section on Medical Schools helps develop AMA policy of concern to medical schools on such issues as education, patient care, and clinical research. The Governing Council serves as the direct communication link between the AMA and the Section representatives.

Submit an event?
 The deadline for submitting an item is 11 a.m. the day prior to publication (for a Monday edition, the deadline is 11 a.m. on Friday).

award is given to the individual who raises the most money for the WalkAmerica event each year for the entire state of Nebraska. McCormick raised \$2,760 for the 2005 walk; the next highest walker raised \$2,190. McCormick served as the team captain for Carol's Crawlers and her team raised a total of \$2,975. She will be honored next spring at the WalkAmerica 2006 kick-off breakfast.

Today's Headlines

Fume Hood Shutdown in Criss II and III

The previously mentioned shut down of the fume hoods and biosafety cabinets that are hooked up to the exhaust in Criss II and Criss III will be taking place Wednesday, July 13, at 7 a.m. Please remove all chemicals and materials you will need from your hoods before Wednesday morning. The hoods will be down for 24 hours and will be operational again on Thursday morning, July 14. Please note that the hoods will be shut down again approximately a week after the initial shutdown. Contact John Baxter at 546-6269 or jtbaxter@creighton.edu with any questions. Thank you for your patience while Facilities Management completes the work.

Reminder About Battery Recycling

Please remember that Creighton recycles all types of rechargeable batteries. Contact Mary Duda (546-6404) or Steve Ward (x2454) for more information or to have your batteries recycled. One type of battery that you may have overlooked is your computer's UPS (Uninterruptible Power Supply) or "battery backup." Please make sure to return it to Facilities Management or Purchasing when it no longer works or you no longer need it. More information about all types of recycling at Creighton can be found at www.creighton.edu/EHS/PandP/universalwaste.htm.
