Dear Denny;

Happy New Year. Hope your holidays were pleasant and full of family, friends and fun. My were rather quiet and that was nice too.

Well here I am again back at the old grind. I wonder if you might take care of this little matter for me. Enclosed is a copy

It's similar to the

of a release form I need you to sign.

interview release you signed earlier. However, this one officially allows me to use the photos and newspaper headlines we videotaped at you home a couple of months back. If you would, simply sign and date it and return to me in the self addressed envelope I've enclosed for your convenience. Essentially, the release lets me use the material with no compensation to you. So, if you please

All is going well with the project and hope to be notifying you soon as to the upcoming air date. Thanks for all the assistance you given me during the production of this documentary.

Your contribution has been invaluable. My respects to your wife and have a prosperous New Year.

Respectfully,

I signed & returned to Camille Steed
