**FACULTY ARE ASKED** to announce in all their classes that the Department of Classics and Modern Languages is offering placement tests for French, German, Japanese, Latin and Spanish on Monday, March 24, at 3:30 p.m. in Rigge Science, Room 120. Students who want to take the exam do not need to register. Every student who has taken a language in high school must take the Language Placement Test in order to continue that language at Creighton. Students who took the placement test previously may take it again on the 24th to try to better their previous score. Any questions should be directed to Dr. Geoffrey Bakewell, x5526, or Dr. Enrique Rodriego. x2545.

**MSDS (MATERIAL SAFETY Data Sheets)** for hazardous chemicals may be ordered via JAYNet from Environmental Health and Safety. Please include the chemical, the name and address of the manufacturer, and the CAS No. if known. The electronic address for Environmental Health and Safety is pnichols@creighton.edu. If you have questions, call 449-6400.

**DIET AND HEART DISEASE** Workshop: This one-hour workshop will review current dietary recommendations for prevention and treatment of heart disease. Topics covered will include fats (total, saturated and monounsaturated), fiber, vitamin E, iron, caffeine

and weight management. The class will be held Thursday, March 27, from 10 to 11 a.m. and 5 to 6 p.m. in the Cardiac Center. The class fee is \$5. Call x4929 to preregister.

**DR. EAMONN WALL**, assistant professor of English, will speak at the Student Honors Recognition Luncheon on Saturday, March 22, at 12:30 p.m. in the Skutt Student Center Ballroom. His topic is "From Ireland to Omaha: Some Thoughts and Poems." Master of Ceremonies will be Dr. Richard L. O'Brien, vice president for health sciences. Table hosts are University vice presidents and deans, the associate and assistant vice presidents and deans, the faculty president and representatives from the Jesuit Community and University Relations.

**LABORATORY SAFETY REMINDER:** Are you using mercury thermometers in incubators, water baths, or other applications when a non-mercury thermometer would work just as well? Mercury thermometers break on a regular basis, and the debris generated by the clean up is considered to be hazardous waste by the EPA. Substituting environmentally safe thermometers will reduce the amount of hazardous waste generated. It also reduces waste costs.

**THE CREIGHTON CARDIAC** Center presents "What's New in Interventional Cardiology" by Dr. Del Core, medical director of Creighton's Cardiac Catheterization Laboratories, on Tuesday, March 25, from noon to 1 p.m. at the Cardiac Center Auditorium. The target audience includes nurses, technicians, students and other allied health professionals involved in the care of cardiac patients. For more information, contact Lori Umberger at x4577.

**EQUIPMENT AND FURNITURE** Tagging Sessions: Two review sessions on how to affix a bar code tag and how to report an equipment move or disposal

will be held Thursday, March 27, from 9:30 to 11 a.m. at Saint Joseph Hospital, Room 2832, and 1:30 to 3 p.m. at the Skutt Student Center, Room 105. If you have any questions, call x2681.

**A HIGH BLOOD PRESSURE** study is being conducted at the Cardiac Center. They are recruiting patients presently taking the drug Procardia XL for high blood pressure. If you are interested, please call x4292. Benefits include two, 24-hour ambulatory blood pressure evaluations and blood pressure medication.

**CME COURSE:** The Sixth Annual "Anesthesiology Symposium on New Anesthetic Agents and Cost Containment in Anesthesiology" will be held Saturday and Sunday, April 26 and 27, at the Omaha Marriott Hotel, 10220 Regency Circle. Registration deadline is April 11. For more information or to register, please call Continuing Medical Education at x1830.

**JEANETTE MIKKELSEN** of Radiation Safety, her husband, Tom, and family would like to express their appreciation for all the cards, flowers and prayers they have received during the illness and death of their son Scott. All were deeply appreciated. "God has blessed us with a wonderful Creighton 'family.'"

**THOUGHT FOR THE DAY** from the Deglman Center for Ignatian Spirituality: "Hard work has a future payoff; laziness pays off now."
