Mr. Denny Holland

De Porres Club

3719 Mason Street

Omaha, NE 68124

Dear Denny:

There is little that can be said to erase my most serious blunder, other than to let you know I'm deeply sorry. In spite of your letting me know well in advance of the date for the De Porres Club reception, I simply did not record it on my calendar.

Long before it was popular, the De Porres Club was at the forefront in attacking social and other injustices, which existed in our community. Frankly, the Club served as an important personal inspiration to me as well as other youngsters who have benefited from the unselfish hard work of its members. My respect and admiration for the work of the Club in why I feel so badly for not getting the food to the reception.

Enclosed is a check which would have been used to cover the cost of the reception. Please use it in any way you see fit to further the work of the De Porres Club. I would appreciate your expressing my deepest apology for my mistake to Club members you may come in contact with. If there is "anything" that I can do in the future to help the Club with another activity, please don't hesitate to call I will not let you down.

Best Regards,

Alvin M. Goodwin, Jr.

President
