Motion raised by H. Tibbs that we send a letter to TWA Local, James White, President containing these 2 points:

- 1) explaining to them that our campaign is aimed at the company not the drivers thus alleviating some of the hard feelings and asking for their indulgence and patience.
- 2) asking their cooperating and urging them to write Lee asking him to hire Negro drivers.

Members encouraged to write letters to Public Pulse.

Discussion on supporting municipal ownership of St. Ry. Co. Bob Young was appointed to investigate municipal ownership.
