CLAUS STUFFMANN

Staff Member of the Cabinet of Altiero Spinelli,
Member of the Commission of the European Communities

Mr. Stuffmann is in Omaha as a guest of the Omaha Committee on Foreign Relations to whom he will speak the evening of the 29th on the subject: The European Community After the Energy Crisis.

As you know the attempts of the oil consumers and producers to organize in Paris a world energy conference have failed. Industrialized nations wanted to confine the proposed conference to energy, while the others wanted other raw materials included.
