

## HEAVY VOTE CAST IN UNION ELECTIONS

### WORK ON STADIUM TO START AT ONCE

Alumni Organizing For Drive Under Coad And Baldrige

An announcement was made a few days ago that sent a thrill into the hearts of the thousands of Creighton followers who have dreamed of a new stadium for years. President McCormick of the university was author of the news, which was to the effect that the contract for the piling in preparation for the start of the stadium building had been let, and that work should begin early next week if the equipment arrives late this week as scheduled.

Another important move in stadium circles is the final organization of alumni committees which are now carrying on the solicitation of larger subscription among local alumni and friends of the university. W. J. Coad and Malcolm Baldrige are heading the two main groups.

Returns last week for the "Buy a Sack of Cement" campaign were unusually light, only a total of \$307 being turned in at headquarters. This week's returns, however, indicate that interest is picking up among the students. The fact that a number of fraternities and class organizations are withholding collected money until the final count in order to keep their totals a "dark secret" may account for the light returns. Campaign officials have requested that as much money as possible be turned in promptly.

Only three department salesmen qualified for the weekly prizes the second week. They were Tom Coleman, Arts, \$75; Thomas Russell, Law, \$65; W. J. Frenzer, High School, \$52. The departments turned in these amounts: Arts, \$102; High School, \$79; Law, \$65; Medicine, \$35; Pharmacy, \$21; Commerce, \$5; Dentistry, nothing.

A noteworthy contribution from the Central High athletic association for \$50 was received at headquarters. That's the kind of spirit that is going to make the student element a big factor in the stadium fund drive if salesmen capitalize it.

John Boyer polled the smallest vote in the election. His total vote, was one, but Boyer had unofficially withdrawn before the elections, although his name remained on the ballot. His reason for withdrawing was in order to prevent the Kappa Phi vote from being split up between him and the victor, McDougal.

An interesting three-cornered battle was conducted in Dentistry, with John J. Connolly finally emerging with enough votes to win. Only two votes separated the winners of second and third places among the Dents.

Do you know that Creighton was the first school west of the Missouri river to require four years of study as a requisite to a Medical degree?

### Pres. McCormick Praises "Bluejay"

Fr. McCormick, S. J., president of Creighton University, is looking forward to the 1925 Bluejay as a very creditable student publication.

"I have seen the advance sheets of the 1925 Bluejay, and I believe the students will have every reason to feel that the management has produced a work to be proud of," said Father McCormick.

"The response of the students in subscribing in such large numbers is what has enabled the management to go ahead with its plans. Such subscriptions surely bind the student in honor to complete his payments. I do not believe that anyone who has subscribed would fail to carry out his part of the agreement after the management has done the work and incurred the expense, relying on his support."

"I wonder, though, if the students appreciate the fact that the cost of a yearbook can be very materially reduced if the management has the money in hand to take advantage of the discounts when the invoices come in. If they did, I am sure they would make their payments promptly and so give this student enterprise the benefit of a lower price."

—BUY A BAG OF CEMENT—

### MANY ENTRANTS FOR SCOUTMASTERS' COURSE

Gilbert Gendal of the local council of the Boy Scouts of America will direct the Scoutmasters' Course at Creighton, which will open April 15.

The course will extend over a period of six weeks, classes to be held every Wednesday evening for two hours.

An interesting feature of the course will be two over-night "sleep-outs" at Camp Gifford.

All that are interested in boy leadership may secure information and application blanks from B. A. Kennedy, Registrar, the Creighton University.

—BUY A BAG OF CEMENT—

### GERMAN CLUB HAS INTERESTING MEETING

The main feature of the German club, Thursday night, was a discussion of the causes and effects of the inflation of the German mark since the year 1914.

Carl Peter brought some of every type of bank note issued since 1914, and a list of the different prices since that year, to show the rise in prices which accompanied the inflation of the mark.

The debate concerning the advisability of allowing co-eds to enter the Arts college next year was resumed. All discussions were carried on in German.

—BUY A BAG OF CEMENT—

Do you know that the Rev. Frederick A. Meyer, author of a widely used series of textbooks in philosophy, is professor of philosophy at Creighton University?

### Famous Sculptor, Gutzon Borglum, Creighton Arts Graduate, '87

"What is the eighth wonder of the World?"

The eighth wonder? Why, you say, there isn't any! Well, maybe radio, or a modern invention might be called that. Hardly, though! But—extending over a mile along the convex granite face of Stone Mountain, Georgia, as a memorial to the confederacy, there is, in progress, that which has been acclaimed the greatest piece of sculpture in the world's history, a work that is being called by a score of writers, sculptors and men of note by the title of—the Eighth Wonder of the World.

Its creator? Gutzon Borglum, world famous sculptor, and graduate of the Creighton University College of Arts in 1887.

Stone Mountain, nine hundred feet high and seven miles in circumference, will be the scene where the Creighton grad will carve over a thousand figures. Long lines of marching troops of heroic size will emerge from the stone, creating a solid mile of pomp.

The mounted figure of General Robert E. Lee, from the hoof of his horse to the tip of his hat, will measure one hundred and sixty-five feet. Equally impressive figures of other leaders will surround it. Five of the most noted commanders from each of

the seceding states will be included in a long line of marching soldiers.

The fact that interruptions have come may be laid to the fact that Nature—seemingly unwilling that man should even attempt to rival her majesty—has, through thousands of years, laid ultimate defeat or death on each of the seven great Builders. Into the history of each of the Seven Wonders of the World has been wrought the tragedy that has overcome the Workers.

Years of work and great expenditure must intervene before this work, comparable with the seven structures which so amazed the ancients, will be complete. Then, when the commemoration of the dead soldiery of a Lost Cause emerges into its final form, never to be effaced or forgotten as long as the world endures, the World will ask:

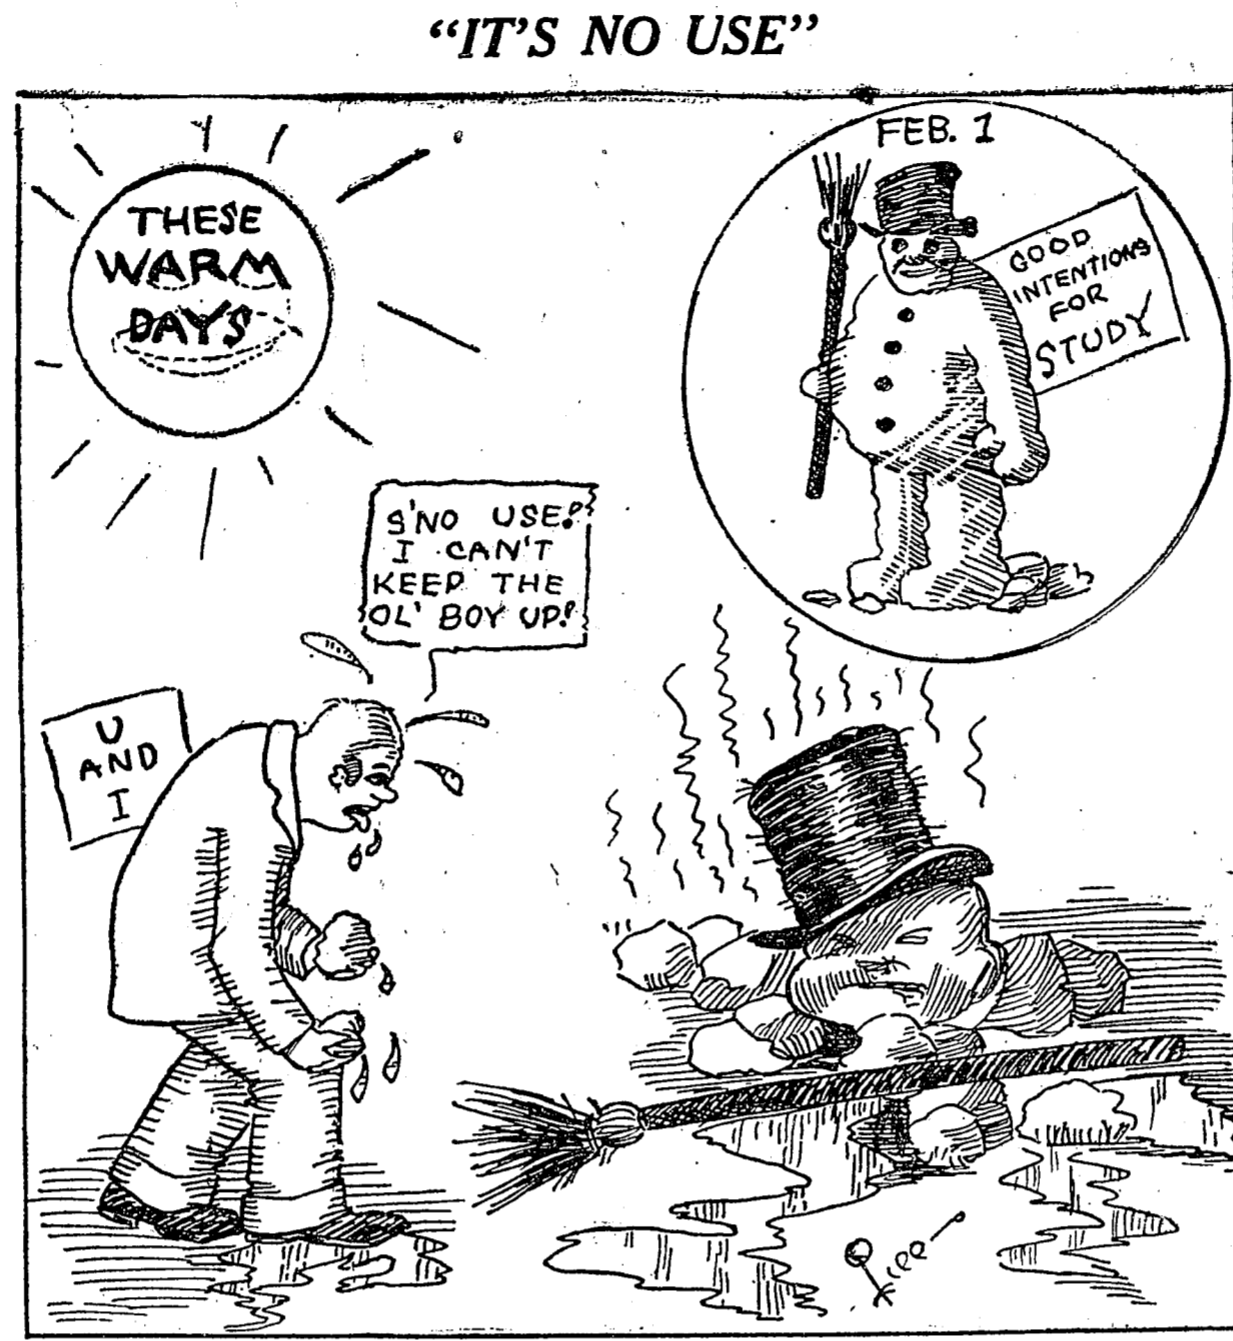

"Who created the Eighth Wonder of the World?"

And every Creighton man will answer, "Gutzon Borglum, Arts, '87!"

### R. O. T. C. ENCAMPMENT.

Major Brennan is now making arrangements for the week-end encampment at Fort Crook. The encampment will probably be held the end of the first week in May.

### "UPPER ROOM" MEETS FAVOR

To Be Broadcast From W. O. A. W. On Good Friday

The presentation of the "Upper Room," a sacred drama, under the auspices of the Creighton University Dramatic club, was staged in the Creighton auditorium Monday and Tuesday evening before a well represented crowd of students and citizens of Omaha. The initial performance was poorly attended, the downstairs accommodating less than three hundred; but Tuesday evening found the lower floor taxed to capacity and many seeking seats in the gallery.

The "Upper Room" is a celebrated sacred drama, depicting the sorrow of the Blessed Mother and the followers of Christ during His passion and death. The leading part, that of the Blessed Mother, was taken by Miss Nellie McDermott, favorably known in dramatic circles at Creighton. Albert J. Morrissey, J. Stuart Neary, Harold Collins, and Bernadette Maxwell were assigned leading parts, and favorable comment on all the above mentioned actors was laudable.

"Samuel," the boy, portrayed by Virgil Roach, because of his clear enunciation and acting, was mentioned by both students and the general public as being "well qualified" for the position.

The "Upper Room" was under the personal direction of Charles S. Costello, who for the past three years has had general supervision for all dramatic work. Mr. Costello, three years ago, conceived the idea of organizing the Dramatic club at Creighton.

With the advent of spring, the Creighton University Dramatic club contemplate staging two more productions, one of which will be under the auspices of the Junior Dramatic club, organized about three months ago.

The "Upper Room" is to be broadcast to the United States at large from the Woodmen of the World life insurance station on Friday evening, April 10, according to announcement made by Professor Costello today. The time set by Lester Palmer, program director, and junior law student, is six o'clock Friday evening.

All those who are at home enjoying the Easter vacation are requested to listen in and report on reception.

—BUY A BAG OF CEMENT—

Do you know that the Creighton College of Law is a member of the Association of American Law Schools?

### PROM TICKETS ON SALE APRIL 24

Tickets for the Junior-Senior Prom, to be held on Friday, April 24, will be on sale the day after the Easter vacation, Tuesday, April 14. These tickets may be procured by Juniors and Seniors from the president of their class. Those eligible to receive Prom admittance will receive them with the understanding that tickets are absolutely not transferable. Those entitled to admittance to the Prom are the following: All Juniors and Seniors in all colleges in the University. Also all Freshman Law Students who receive an Arts degree in June, 1925, and all Freshman and Sophomore Medical Students in line for a degree of B. S. in Medicine. No under-classesmen will be admitted to the Prom. The ticket sale starts Tuesday, April 14, and remember, "Not Transferable" on each ticket, and No Tickets Sold at the Door the night of the Prom. See your Class President immediately after the Easter Vacation.

—BUY A BAG OF CEMENT—

### "SHADOWS" SPONSORS POETRY CONTEST

The third issue of Shadows which was issued last week has all claims to be the best issue which has been published this year. It has assumed all the qualities of a typical college publication.

The feature of the issue is the poetry contest which is open to students in all departments of the University. Ten dollars in gold will be for the first prize, five dollars in gold for the second and two and one-half dollars for the third. All manuscripts are to be submitted by April 30, and will be judged by the following members of the College of Arts Faculty: Professor Thurber M. Smith, S. J., J. J. Cordes, S. J., and Charles Charvat, A. B. The announcement of the winning poems will be made in the next issue of Shadows.

The articles include fiction, editorials, literary criticism, general articles, and the Whip; the art is especially good in this issue.

### "BLUEJAY" BUSINESS MANAGER RETURNS

Clifford Nolan, business manager of the 1925 Bluejay, has returned from his home in Perry, Iowa, where he was called by the death of his sister.

Nolan immediately took up business matters of the "Bluejay," and is ready to resume financial transactions, necessarily halted by his absence from the city. All annual representatives and class officers will find him in his office at the Law Building every afternoon.

### ONLY SIX SURVIVE ELOCUTION PRELIMS

Twenty-Five Competed in First Round of Annual Contest

In the elocution preliminaries, held in the Moot Court at the Law School Wednesday, March 25, these six men were selected to compete for the gold medal offered annually to the best elocutionist in the Arts college:

- Gordon Deising. Raymond Gibbons. Guy Gadois. John Gillin. Carl Peters. David Cavanaugh.

The contest will be held some time the latter part of the month in the University Auditorium. The winner will receive the gold medal offered by J. J. McShane.

Rev. W. J. Grace, dean of the Arts college; Thurbur M. Smith, S. J., and J. J. Cordes, S. J., were the judges of the tryouts.

Approximately twenty-five aspirants competed in the initial preliminaries.

### ARTHUR MULLEN OFFERS PRIZE FOR ESSAY

Mr. Arthur Mullen, prominent Omaha attorney, has offered a cash prize of fifty dollars to the student of Creighton University who presents the best original essay on any subject connected with the life of Thomas Jefferson.

All students of the University are eligible to compete, and those who wish to do so should inform Father Grace at once.

The essay is to be of not less than 2,500 words, and not more than 5,000. Papers, which may be turned in to Father Grace any time before May 1, must be typewritten. A duplicate must be turned in at the same time.

Mr. Mullen is democratic national committeeman, and was a prominent delegate to the National Democratic convention in New York last summer. He is one of the democratic leaders in Nebraska. Mr. Mullen won national prominence a year ago by his argument before the Supreme Court in the case of the Nebraska Language Law. The Supreme Court decided the law passed by Nebraska forbidding the teaching of German in the schools was contrary to the federal constitution.

A son, Arthur, Jr., is a freshman in the Arts and Science college.

No committee has yet been selected to judge the essays.

### RETURNS INDICATE DECISIVE VICTORIES IN ALL DEPARTMENTS

#### Election Chatter

Herbert C. Lichtenberger, one of the Arts candidates, was so "calumniated" during the campaign that he found it necessary to post the following notice on the eve of the election: "I wish to take this occasion to explode a little mud-bubble which is being circulated against me. I am not a pledge of any fraternity or sorority whatsoever. Neither was my uncle's hired man's daughter's pet dog shot for stealing oranges from a blind organ-grinder."

Lichtenberger's daily bulletins, admonishing the Artsmen to "place a cross after the longest name on the ballot, were one of the most interesting features of the campaign.

The co-eds in Commerce are showing the true suffragist spirit. One of them demanded a ballot of Election Commissioner O'Brien, and it took all of "Zibby's" honey-tongued words to convince her that the Nineteenth Amendment does not apply to Creighton, equally with the Twentieth.

Some of the gloom sisters attach significance to the fact that the election was held on April Fool's Day. President Patton has been assured by the Union's attorney, however, that the election will be valid.

"The Arts Kirilin for Governor Club" was somewhat "het up", when they discovered that their candidate's name had gone down on the ballot as "Albert" instead of "Robert". They were mollified when Tom Coleman, Arts election commissioner, called attention to the fact that many students would vote for Kirilin under the impression that they were voting for Albert Morrissey, present union manager.

This year's elections were marked by the lack of a close contest in any department. Last year the election in the Pharmacy College was decided by one vote.

The most surprising result of the entire election was the strong run of Robert J. Kirilin, successful candidate in Arts and the dark horse of the election. Kirilin polled 118 votes—the largest vote in the entire university. A pronounced swing towards Kirilin took place in the closing days of the campaign, due to the effective campaigning of Kirilin himself and his managers, George A. Bang, George Woerner, and Leo McCabe.

As usual, the Law School was the scene of the greatest activity on and before election day. The outcome of the election is considered a victory for the Gammas, with George Truman at the head of the steering committee. Truman is credited with the cleverest move of the campaign with the nomination of "Dapper Dan" Powers.

Kirilin, Berger, Connolly, Rowers, McDougal and O'Brien Victors

#### TAKE OFFICE IN MAY

According to the verdict registered at the polls last Wednesday, April 1, Creighton Union's new board of governors will consist of Robert J. Kirilin, Leo J. Berger, Daniel G. Powers, Thomas J. O'Brien, Paul S. McDougal, and John J. Connolly.

The vote was unusually heavy in all departments, a total of 895 votes having been cast in the entire university. The best percentage showing was made in the Law School, where 151 votes were cast out of a registration of 160.

Robert J. Kirilin, the successful candidate in Arts, is a Council Bluffs boy, and has been at Creighton for seven years, four in Prep and three in Arts.

Leo J. Berger, Commerce winner, is from Sioux City, Iowa, and has been at Creighton for one year. He is the secretary of the Commerce department and a member of Kappa Pi Delta social fraternity.

John J. Connolly, the Dental governor, is like Kirilin a resident of Council Bluffs. He is a member of Psi Omega fraternity.

Daniel G. Powers is a member of Gamma Eta Gamma law fraternity and Delta Kappa Delta social fraternities, a guard on the varsity football team, and a resident of Ulysses, Nebraska. This is his fourth year at Creighton.

Thomas J. O'Brien, the new representative from Medicine, came to Creighton from McAlester, Oklahoma. He is at present on the 1925 Junior Prom committee.

Paul McDougal was the successful candidate in Pharmacy. McDougal is affiliated with Kappa Psi fraternity, and comes from Aurora, Nebraska.

The new board will hold a meeting within a few weeks to select its own officers, including the Union president. It will take office at the Inaugural Ball, early in May. The term of office is for one year.

The vote in the various departments was:

### Woman Journalist Says Women Read Newspapers More Than Men

"There are two reasons why women's activities are featured in the newspapers as they are, and that is because women read the papers more thoroughly than the men, and because the advertisers appeal to them," said Eva Mahoney of the Omaha World-Herald, who addressed the Journalism class of Creighton on Monday, March 29.

In some of the newspapers all activities are under the direction of women. The editing and handling of all copy is placed under the jurisdiction of a woman.

In the beginning of the newspaper game in Omaha, the social news was so small that the editor of one paper started a women's department with fake society notes. The social and club news, as well as the activities of women in politics, science and professions, soon grew to such an extent that it was no longer necessary to fake the news. Now there are from 35 to 40 club activities to be taken care of in a week, including social, cultural, philanthropic and religious clubs. The Parent-Teachers' Associations in almost all the schools and sorority notes play their part in the women's section.

The syndicated articles are an important feature of the women's department. There are certain high-priced columnists who write articles for syndicates to sell to different

newspapers in the country. The average newspaper cannot afford to hire such expensive talent, and so the syndicates make it possible for the papers to publish good material. There are syndicated articles on Home Economics, Food, Fashions, Furniture, Etiquette, Thrift Talks, Fiction Stories and Inspirational Essays.

The movie department is another phase of the paper that is often conducted by women, as well as the drama, music and art section. The children's page is usually carried on by a woman, although the World-Herald makes an exception to this rule.

Miss Mahoney enumerated the qualifications for a successful newspaper woman: To be accurate, to have a keen mind, to have enthusiasm, to have intuition, to have a general knowledge of world events, to be cordial and to have a good memory.

There are many problems which come up daily in every paper organization, and it is up to the women in charge to solve the difficulties. It is necessary to decide just what must be featured to a greater extent than something else, and to strike a balance between what goes in and what stays out in order to please the greater number of readers. Pictures are put in on the merit of the social prominence of the person, on the news value or on the art value.

### When Greek Meets Greek

**CHI Upsilon OF PHI CHI.**  
House 3514 Bart St. Ha. 1361.

Chi Upsilon of Phi Chi wishes to extend its sympathy to Dr. Torpy who recently suffered the loss of his sister by death.

Dr. "Steve" Bartek was a recent visitor in Omaha. Phi Chi had the pleasure last week of entertaining one of its charter members, Dr. E. J. Gandee of Earlring, Iowa.

At the next regular meeting, next Monday evening, officers for the coming year will be elected.

Well, the porch furniture has been taken out of cold storage. The furnace has been sold on account of the present warm weather.

The golf course of the Fraternity house grounds is now in good shape for practicing for the coming golf tournament.

Speaking of golf, the Phi Chi "Hole in One" Club has been increased to six members, by the recent fulfillment of entrance qualifications on the part of Brother Leo Keenan. The present roster of the club includes the names of Brothers: Hier, Bloom, Scanlon, Keenan, and Schaeffer.

Brother Leo Hamon went about last week passing out cigars (3 for 50¢ kind). The reason for this outburst of big-heartedness lay in the fact that on Monday morning of last week he became the proud father of a ten pound baby boy.

Baseball is being organized around a nucleus of Brothers: Keaveny, "Speed" Malloy, and Lyle Doyle.

Brother Condon has been advised to take street car to bed with him, because he was recently found walking in his sleep, and if this continues no one can tell how far he may walk before he returns.

Brother Leo Martin has been ill the last few days. Brother "Red" Keaveny is wearing policemen's suspenders, and incidentally, to the dismay and horror of all, Bill Feehan has amputated his tooth-brush.

For Spring Hats, see "Fraud" Lebold.

### STUDENTS' LETTER BOX

**A LITTLE MISSIONARY WORK.**  
Omaha, Nebr., March 10, '25.

Dear Editor:

Did you ever go down to the football field and watch Wynne's football candidates indulge in their spring practice stunts? I was down there one night last week, and, to tell the truth, I was astonished to learn of the methods that were employed to get those gridders into condition. Wynne had his some seventy odd men climbing a bank of 45 degrees on their hands and knees, an exercise supposed to develop leg muscles, an accomplishment that will come in handy in climbing over the lines of Marquette and South Dakota State next year.

But this isn't what I started out to say. It occurred to me while watching those aspiring candidates for the 1925 eleven doing their painful duty that we as students could do a little missionary work right now ourselves. Now comes the time when most high school athletes will be deciding on what school they are to enter next fall. Now is an opportune time for Creighton men to get in early and convince these men that Creighton offers more opportunity to them in an athletic way than do most schools. Get a few pictures of the spring gridders, showing the expert training they receive here; get a copy of the "Know Creighton-Know Omaha" edition of the Creightonian, which I understand you can get at the office in the Commerce building, in which it tells of the athletic prowess of C. U., and start a little campaign to land those fellows at Creighton.

There are many fellows who are eager to learn of the advantages of the respective colleges, and we can do at least that much when those seventy men are out there every night getting ready for next fall. Let every Creighton man do his little part toward boosting athletics.

Yours very truly,  
ONE OF THE RAILBIRDS.

**GAMMA ETA GOMMA.**

A very enjoyable and successful luncheon was given by the local alumni chapter of Gamma Eta Gamma at the Elk's Club, Tuesday noon, March 24th. Several interesting speakers were present, among them Father McCormick, president of Creighton University; Dean TePoel, of the College of Law, Coach "Chet" Wynne, J. A. Bennewitz, Judge L. B. Day, E. E. Leary, G. H. Winn, and A. A. Schabinger.

The active members who attended were very much impressed by the spirit and pep shown by the "boys of yore." The next luncheon is to be held on April 7th.

The Gammas initiated a class consisting of J. Welding, J. Bigelow, Donald Davey, Frank Burbridge, Hayes L. Murphy, and Davey, on Sunday, March 22nd. Plenty of fight and spirit was shown, especially during the second degree. The active chapter extends hearty thanks to the alumni members who assisted in making the initiation such a success. Hereafter it will be unnecessary to make any announcements in order to gather a crowd. Everyone, even the candidates themselves, have "beaucoup" fun, the latter chiefly in their reminiscences.

This week the following pledges were initiated: Powers, Reifschneider, Robinson, Bauder, and Burrus.

**DELTA KAPPA DELTA.**

House 404 No. 22nd St. Ja. 06966.

Due to unknown reasons, which might be financial, excess baggage, patronage or otherwise, the services rendered by the "Jensen, Wessels and Kimball Transit Co." has become very inefficient. It has become so much that several of the boys are contemplating starting a new line. Fagan & Co. consider taking over part of the equipment formerly operated by Kimball and adding to it by purchasing the Saunders Co. At least we are led to believe this is the case as Leo and his co-partners have been on recent inspection tours with representatives of said companies. However he will not be free from competition as Flo and Bluechel are in the field with plans for an air-line. They have not decided on the type of plane to be used and have no definite announcement to make at this time.

The Fraternity wishes to express condolences to Brother Nolan in his great loss. Brothers Dan Powers and Vernon Edwards, represented the Fraternity at the funeral.

tonian, and I thank you a thousand times for it. Every page is full of interest, and I must admit that some of it made me a bit homesick for Omaha.

"I heartily agree with Mr. Head and Mr. Hamilton, and all of those that had so many nice things to say of Creighton. It is the finest institution in forty-eight states."

—BUY A BAG OF CEMENT—

Dean Schulte.

Dr. Herman Von Schulte, dean of the College of Medicine, reviewed "Sticks and Stones," one of H. Munford's books, for the Women's Alliance at the Unitarian Church last week.

Dr. H. Von Schulte addressed the Omaha Woman's club on March 23 on "Sociological Problems."

Universities of Chicago students are given the opportunity of filling extra places in the operas played there.

**SMOKING AT VASSAR.**  
Vassar students smoke and they aren't ashamed to admit it. When the student association recently took a census on smoking, 433 girls declared themselves to be among the tobacco users.

There are 180 organizations on the campus of Ohio State university, with a total membership of 3,000 students.

### PEP UP THAT DRIVE!

Is the depth of Creighton students' loyalty to be measured by the feeble effort they have expended in the sale of cement?

That question was presented to Robert Patton, president of the Students' Union Monday, and Patton, through these columns passes it on to every Creighton student.

There are many in these halls of education who will admit today that they have not yet sold one sack of cement for the Creighton stadium. There are others who have sold a ton of cement, twenty sacks, while others have sold a sack, fifty sacks. A few have done well. But these are indeed few.

Stadium campaign officials have estimated that the average Creighton student has sold less than two sacks during the two weeks of the cement sale campaign.

As a measure of the average student's loyalty, or if it is a measure of his sales ability, then the trust which the founders of Creighton University had in American young manhood and womanhood has been misplaced. There isn't a student in the entire enrollment of more than 1,800 who cannot afford to buy at least a ton of cement himself, and, by the same token, sell at least five tons to his friends.

If each student were to do just that and nothing more, the stadium fund would be complete.

Every student in the university has been given 100 sacks of cement. Some have come back for more. None has turned back the hundred. Let us hope no one will turn back the hundred. But if the registry of sales is a fair indication, many of the units of a hundred sacks haven't yet been broken.

The Easter vacation is coming on apace,—it is the belief of the stadium fund directors that the returns of Saturday, April 18, will assure the immediate erection of Creighton's greatest need, a stadium. Determine now to sell twenty of your hundred sacks to yourself. You've saved your money during Lent, at least dances and theaters haven't attracted you,—it shouldn't be difficult to purchase that ton of cement today, even though you may have to "skimp" a little for the next few weeks.

Make Patton's answer to that question truth by selling your five tons of cement. Patton answered for you. In answer to the query, "Is that the depth of Creighton students' loyalty—?" he shot back a definite, direct, forceful "NO!"

### IT TAKES SUGAR TO DRAW FLIES

An incentive other than the self-satisfaction that comes from work well done apparently is necessary before any very great numbers of students will flock into campus activities at Indiana University.

Large turnouts for activities please the directors. It adds prestige to their endeavors. But who gains? Surely not the activity. Too many dead weights compose it. Not the participant. His goal is a trip. He may gain something by taking part in the proceedings. A sponge absorbs water. But he will not derive the full benefits that should come to him.

Only when there is a sacrifice made to accomplish some thing, only when there is the love of the activity overshadowing all thoughts of personal gain can both the activity and the participant profit to the fullest extent. But not until then.

—Indiana Daily Student.

**XI PSI PHI.**

Alpha Kappa chapter of Xi Psi Phi met last night in Billings auditorium.

Dr. J. E. Wallace, formerly of the Wallace Dental Laboratories Co., gave an interesting talk on "The Business Side of Dentistry." Besides active members, several alumni were present.

Has Brother Hanlon stepped into the ranks of the matrimonial prospects?

We are not the only ones who have noticed that another besides "Red" has been honored, by wearing a "Zipp" pin.

**DENTAL INTERFRATERNITY DANCE.**

The Annual Interfraternity dance given by the Dental fraternities of Creighton University is to be given this year on Easter Monday evening, April 18th, at the Elk's Club. Randall's Royal Orchestra is to play for the Dents on this occasion, which from present indications promises to be one of the biggest social events of the spring.

**KAPPA PI DELTA.**

House 3036 Cass St. Ha. 5661.

Kappa Pi Delta entertained its members and guests last week with a smoker at the house. Among the entertainers was "Sambo" the dancing fool, who gave a very startling exhibition of "Hot Feet." Among his special numbers was imitation of John McNamara going out to see his girl.

MacOhman, local Radio star, also gave several vocal selections, among them, "I've been a bad boy," "All Alone," and "Dumb, Dumb, Dummy."

Following the nertainment, short speeches were made by President Frank Burbridge, and Ex-President A. E. Rettenmaier, John A. McNamara, and James Marron.

Brother Frank Ryan has been recently elected Captain of the 1925-26 basketball team to succeed "Johnny" Trautmann.

The annual election of officers of Kappa Pi Delta took place last night.

**KAPPA PSI.**

House 2023 Cass St. Ja. 6799.

The discussion of the "Buy a Bag Cement" campaign, held by members of Kappa Psi Fraternity at their last regular meeting, led to the adoption of a plan that is sure to "bring home the bacon," by capturing the first prize offered to the Fraternities and Clubs on the campus.

Plans also discussed were those in respect to the Annual Spring Dance, which is to be given about the middle of May.

The initiation of pledges took place last Friday night at the Kappa Psi House.

**PSI OMEGA.**

The regular meeting of Psi Omega will take place next Tuesday evening at Billings Auditorium.

A committee is now at work making plans for the Annual Anniversary Smoker, which will take place on the evening of April 28th.

**PHI RHO SIGMA.**

House 3501 Harney St. Ha. 7038.

Eugene Smith, Steward of Phi Rho Sigma, recently suffered from a very acute attack of lethargia-encephalitis, but under the watchful eye and care of "Dr." Leonard Tobin he is able to resume his class work and other official duty.

Mell Robbins, Jimmie Carr, and "Little George" Halleron were week-end visitors to Lincoln, Nebr.

Dr. B. M. Riley was a dinner guest at the Phi Rho house last Tuesday evening.

Joe Kirwin is still frantically looking for his bathrobe, while Leonard Tobin is just as anxiously looking for his carpet slippers.

Rupert Rauey is wondering what happened to his last clean shirt.

Roman Hirschmann has been very blue for the last week, the reason for which is ascribed to the fact that he broke a string on his ukelele, and has not been able to give vent to his musical talents.

**DELTA THETA PHI.**

House 3815 California St. Wa. 1004.

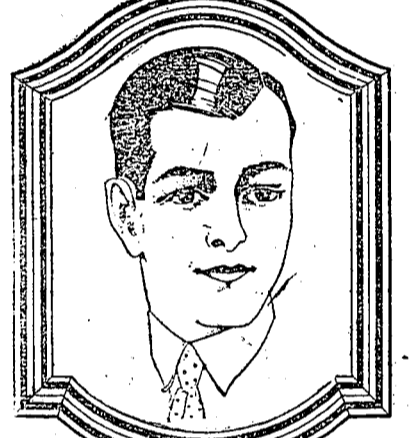

Bryan Senate of Delta Theta Phi wishes to extend its heartfelt sympathy to Brother Cliff Nolan, who suffered the loss of his father and sister last week.

Brother Tom Russell won the Creighton Oratorical contest, and we are also pleased that Frank Ryan, of

## BARRY WINNER IN R. O. T. C. RIFLE SHOOT

Sophomore Arts Student Scores 2143 Out of Possible 2400.

Clarence M. Barry, Sophomore in the College of Commerce and Finance, is the winner of the rifle in the Creighton's rifle competition. Mr. Barry's score averaged 2143 out of a possible 2400. His average per cent at all ranges was 88.2.

Barry, whose home is at Ottumwa, Iowa, is in his second year of rifle and R. O. T. C. training. He holds the title of Cadet Sergeant in the R. O. T. C., which is the highest rank for which any student in the second year of military training is eligible.

Second place was won by Charles L. Vance, Law Freshman, who made a total score of 2060 out of a possible 2400. Vance is in his third year of R. O. T. C., and is rated as Cadet Lieutenant. The rifle will be presented to Barry Friday, April 3, at 10:30 a. m.

### —BUY A BAG OF CEMENT— PRESIDENT McCORMICK ATTENDS CONVENTION

The Reverend Father McCormick, S. J., president of Creighton University, attended a conference of college heads and student leaders from Nebraska educational institutions held at Lincoln, Friday, March 27.

The consensus of opinion was that young people are not as "jazzy" as they are often represented, but there is room for improvement, and that improvement lies mainly with the parents and elders. It was declared that most of the reports regarding laxity among students are represented by about 10 per cent of the young people, while the other 90 per cent are all that could reasonably be expected.

"Young people live in the world that their elders have made for them," said Fr. McCormick, "and the elders cannot escape some of the blame for things that go wrong."

Practically all universities and colleges in Nebraska were represented at the meeting.

### TWENTY-FIVE WRITE IN ENGLISH CONTEST

"Potent Catholic Life" was the subject of the annual English Contest of the Jesuit Colleges of the Missouri province. The essay was not to exceed three thousand words, and six hours were allowed in the writing.

Although all students of the College of Arts and Sciences were eligible to enter the contest, only twenty-five Creighton men entered the contest, which was held on Monday, March 30.

A committee of the Arts faculty of Creighton University will select the three best essays from the twenty-five, and send them on to St. Louis, where they will be judged by a committee appointed by the St. Louis University. All members of the committee will be members of the graduate school of St. Louis University.

### —BUY A BAG OF CEMENT— INTERCOLLEGIATE LATIN CONTEST ANNOUNCED

The annual Latin Contest, open to students of the Arts and Science college, will be held Friday, April 3. The prize will be a gold medal.

All students of the College of Arts and Sciences of all Jesuit Colleges of the Missouri province are eligible to enter the contest. There are twelve colleges in this province.

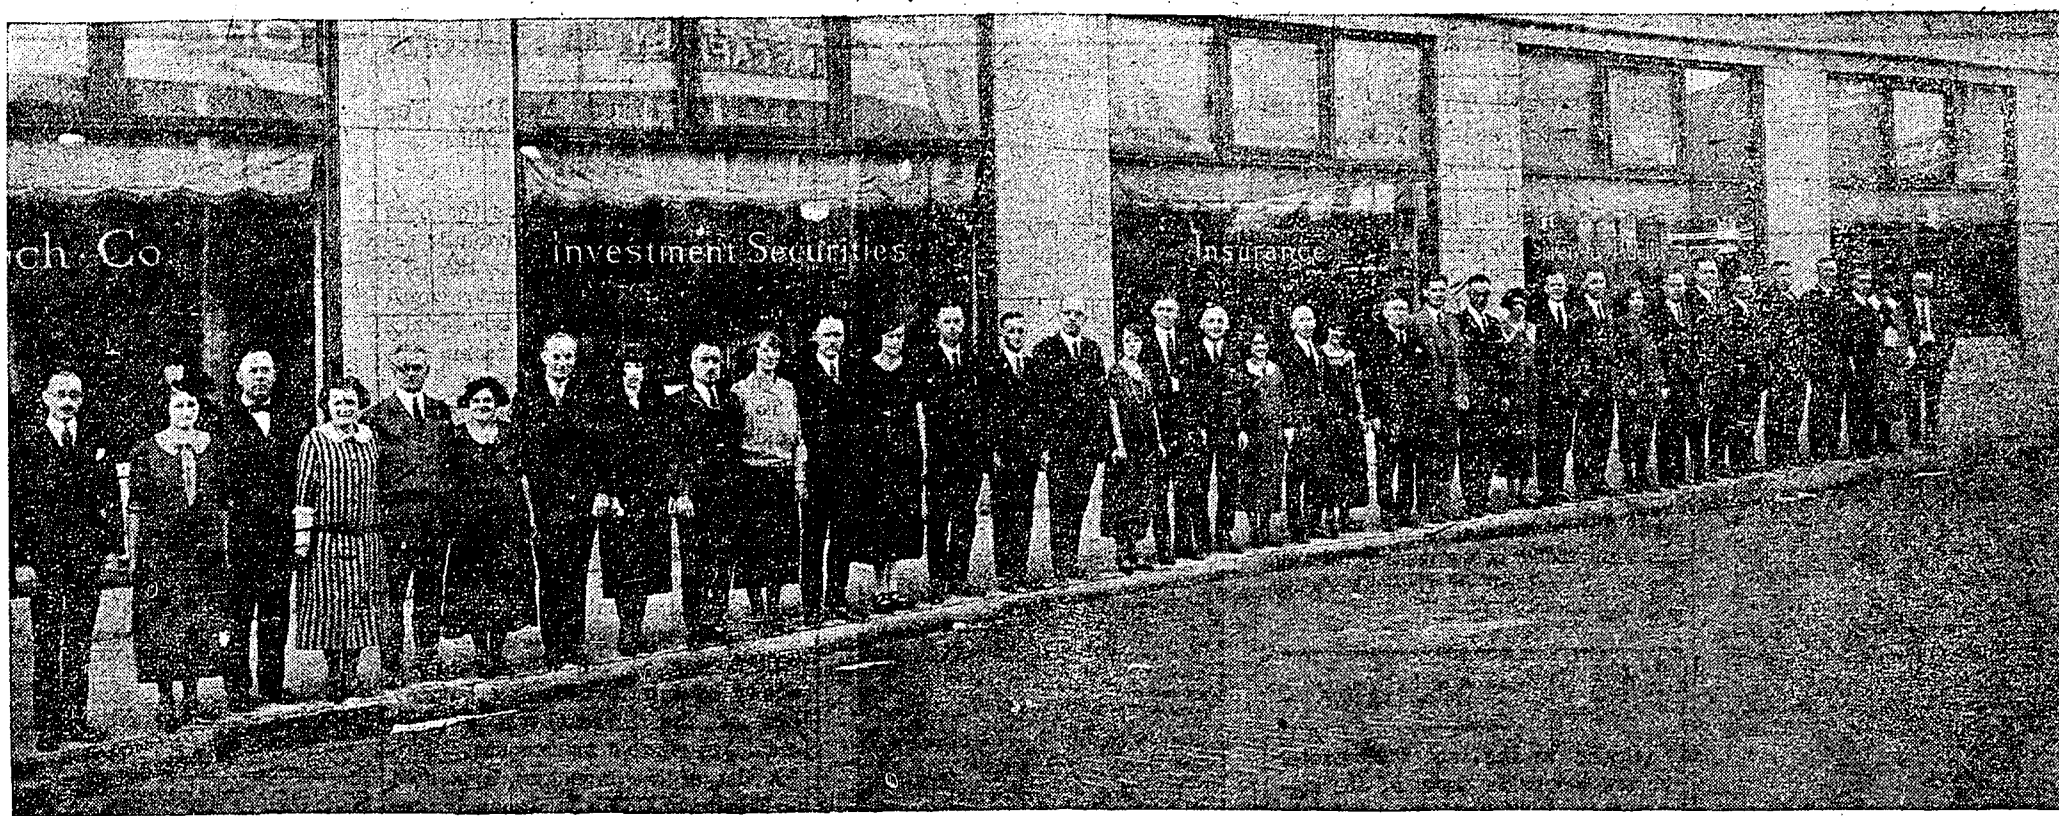

The contest will consist of a translation of a passage from an English author into Latin which will be held in the morning, and for which two and one-half hours will be allowed; and the translation of a passage from Latin into English, for which two hours will be allowed in the afternoon.

Last year Paul J. Boesen of Creighton won fourth place, and Frank P. Fogarty fifth. The contest has been an annual event since 1822, when T. Francis Kennedy won seventh place, and John Danahy ninth. In 1897 Peter C. Gannon, now the Reverend Editor of the True Voice, won first place and the medal, and in 1899 John A. Bennovitz won the medal. Eugene Noonan won the medal in 1906. Creighton University has generally won at least one of the first ten places, and several times has had three among them.

The papers are first judged by a committee of the Arts faculty, which selects the best three. These three are sent to St. Louis where a committee, selected from the graduate college, chooses the best paper.

**WE APOLOGIZE.**  
The Creighton last week, by virtue of a linotype operator's error, accredited to Joe Speicher the sale of 3,000 bags of cement, whereas Speicher had sold but 300.

## This Firm, The Harry A. Koch Insurance Co., Goes Over The Top 100% For Creighton Stadium

Here's the Harry Koch Co. office and sales force posed for a picture after their firm had "gone over the top" 100 per cent for Creighton stadium. Every member of the firm has bought cement for the stadium.

Jack Halpine, fifth from the far end, is a brother of Paul Halpine, Creighton Prep basketball forward, who gives promise of some day being a Blue varsity star.

### CLASS DEBATE LEAGUE STARTS SECOND ROUND

The question debated was, "Resolved, That the United States should immediately enter the League of Nations."

Monday, March 23, the Sophomore Arts debate squad, of Ray Gibbons and George O'Malley, won a two to one decision from the Freshman Arts team made up of Carrol W. Jones and Joseph Green.

The Arts lower classmen argued the proposition, "Resolved, That the several states should have adopted the twentieth amendment." The victors in this debate defended the affirmative.

Monday, March 16, the Junior Arts squad, composed of Martin McCarthy and Leo B. McCabe, earned the right to meet the Sophomore Arts team, by winning a unanimous decision from the Phi Chi Medical Fraternity.

The contested question was, "Resolved, That the United States should immediately recognize the Soviet government in Russia." The victorious Arts upper classmen advanced the negative side of this debate.

Monday, April 6, the John Marshall club in the Law school will take the affirmative of the question, "Resolved, That Nebraska should ratify the proposed twentieth amendment," against the Freshman Law duet. John Flannagan and Oscar Doerr will present the clubmen's case, while Milton Abrams and J. Traynor will uphold the negative, for the aspiring barristers.

The final contest of the second round will be held the first Tuesday after the Easter holidays, between the Junior and Sophomore Arts teams. The Juniors will contend that the Philippines should be given their independence within five years.

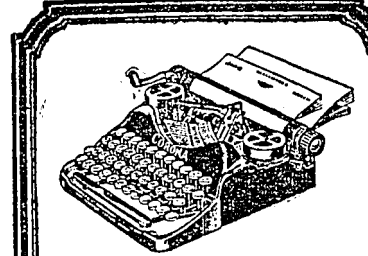

Mr. Thurber M. Smith, S. J., sponsor of the Inter-Mural League, desires the winners in the second round to see him in order to arrange the details of the third round.

### —BUY A BAG OF CEMENT— FRENCH CLUB PLANS MUSICAL PROGRAM

A musical program has been planned for the meeting of the French club tonight. John Gillin will sing; Grant Conboy and Harold Dryselius will give a duet on the violin and piano.

John J. Phalin of the first year class will speak in French; Leo McCabe, Arts Junior, will talk on "Le chevre du Monsieur Seguin," and R. J. O'Donnell on "A Journey to Paris."

All discussions will be carried on in French.

The New Corona Four with Standard Keyboard

### For Offices For Homes

Don't buy any typewriter till you have seen it. \$60 with case.

Central Typewriter Exchange  
Ja. 4120 1912 Farnam St.

### With The Exchanges

The Creightonian, student newspaper of Creighton University, in its "Know Omaha, Know Creighton" edition, has produced the best collegiate newspaper, to come to our attention this year. Composed in regulation newspaper style, this paper adheres closely to the highest standard of journalistic art.—The Ignatian, John Carroll University, Cleveland, Ohio.

What is thought to be the largest college building in the world is being constructed in the suburbs of Havana by the Jesuit Fathers. It will cost over two million dollars and will require more than two years for construction.

To encourage American College men and women to see Capital and Labor as they meet in the mills and mines, not as textbook abstractions, the Nation is offering three prizes to University and College students who spend the summer of 1925 at work in some industrial or agricultural occupation. The prizes will be awarded for the best account of experiences in the field of labor and interpretation of the industrial situation involved.

During the 175 years that American colleges have had fraternities, three-quarters of a million men have worn fraternity pins. Of these, 648 have been college presidents, 200 have been governors of states, 230 have been United States senators, 24 have been secretaries of state, 160 United States judges, 42 major generals, and many have been authors, and held other distinguished positions.

The journalism department of the University of Iowa has a newspaper library, which contains an edition of every daily paper published in the United States, 2,500 in all.

The University of North Carolina has a sixty-two year old student, Judge Winston, who decided to go through college again. He is now a junior.

From Princeton comes the statistics that there are 56,000 college students in the United States who are studying Latin and Greek.

### STADIUM FUND DANCE APRIL 17

The cause initiated by the faculty and alumni and so ably sponsored by the students is to be boosted to a greater extent the Friday after Easter with a big "Stadium Fund Dance" in the Gymnasium.

Those who have not been able to help by selling cement can support this dance, and it will be the means of adding quite a sum to the money already on hand.

A small amount for advertising is the only expense to which the dance committee has been put, and with the co-operation of the student body the dance will be a huge success. The services of the orchestra have been donated, as have the services of the printer and engraver on the tickets. Music will be furnished by THE CAVE MEN TEN PIECE ORCHESTRA. The printing and engraving was given by the Douglas Printing Company and the Midwest Engraving Company.

The affair promises to be one of the biggest dances of the season, as it is for a good cause, and the students should buy tickets whether they attend or not. The admittance to the dance is within reach of every student's pocketbook, the price being only fifty cents.

Tickets have been placed on sale by the various class presidents of the University, and should be purchased from them by the students in their respective colleges. The tickets are made in the shape of a football and have along the lacing a string by means of which it may be attached to the lapel of the coat of the purchaser. This provides a means of advertising, as well as it shows the school spirit of the student. This ticket should be worn by the student for admittance to the dance as well.

The dance is to be chaperoned by Coaches Schabinger and Wynne. Prove that you are loyal to your school and be present at the biggest dance of the year, "THE C. U. STADIUM FUND DANCE."

### "DENT" REPRESENTATIVES REPORT ON CONVENTION

At the meeting of the American Association of Dental Schools held at Chicago, March 17, Dr. A. H. Hipple, dean of the dental school, was chosen as a member on the executive committee of the Association.

The Dental faculty held their regular meeting Monday evening, March 30. At the meeting Dr. F. J. Despecher read the report of the meeting held at Chicago by the American Association of Dental Schools. This report failed to show that any definite conclusion was decided upon at the meeting. The meeting of the American Association of Dental Schools held at Chicago was called primarily to discuss and decide on establishing a requirement of college work prior to entering the course of Dentistry. This requirement, should any be decided upon, would be made a standard of all the schools recognized by the American Association of Dental Schools. Since, however, nothing definite was decided upon at the meeting, various leading colleges of Dentistry in this country are changing their own curriculum to five years, namely, requiring a two year pre-dental work before entering dentistry, and shortened the course of Dentistry from four years to three years. New York has adopted a six year curriculum, two years pre-dental, and four years of Dentistry. Creighton will, beginning with the year 1926-1927, change the curriculum from four to five years, requiring one year pre-dental work before starting on the four years of Dentistry. This requirement will not prevent those who have already started the course from receiving the Degree upon the completion of the now prescribed four years of Dentistry.

Announcement is made by Sam Swartz, ex-law '24, of the purchase of the Malashock Jewelry store, 1514 Dodge street. The new organization, known as the Swartz Jewelry company, is now ready to serve the public with a complete line of diamonds, watches and jewelry.

### ALUMNI NOTES

When Mayor Dahlman was unable to officiate at the laying of the cornerstone of the Omaha Bee's fire safe home, last week, Thomas J. O'Brien, Night Law, '24, was sent as a substitute.

"Building a home is always a work of love," said O'Brien. "Into its walls go love and mutual sacrifice. Into a real home goes the material that provides the nation's bulwarks. A nation of homes and home owners is built upon a rock. A city of homes and home owners is always safe from disastrous waves of discontent. We lay the cornerstone of the home in the full belief that its ownership will help in making our city, our state, and our nation stronger and better."

Announcement is made by Sam Swartz, ex-law '24, of the purchase of the Malashock Jewelry store, 1514 Dodge street. The new organization, known as the Swartz Jewelry company, is now ready to serve the public with a complete line of diamonds, watches and jewelry.

### DENTS EQUIP ROOM AT ST. JOSEPH'S

The Creighton College of Dentistry has completely equipped a dental room with a dental chair, operating table, a laughing gas machine, and many other minor pieces of apparatus at St. Joseph's hospital. The room is to be used for the sole benefit of the patients. Dr. E. H. Bruening donated a complete cabinet of instruments. Dr. R. Albertson and Dr. C. Anderson have charge of the work there now, but in the near future a dental interne will be given charge of the ordinary work.

### STIFF SCHEDULE FOR BLUE TRACKSTERS

Six Meets Arranged For Wynne's Outdoor Track Candidates

Schedule.  
 April 18 — Kansas Relays, Des Moines.  
 April 25 — Drake Relays, Des Moines.  
 May 2 — Dakota Relays, Sioux Falls.  
 May 9 — South Dakota State (Dual Meet), here.  
 May 22 and 23 — North Central Conference Meet, Sioux City.  
 June 5 and 6 — Western Conference Meet.

With a stiff schedule facing them, the Bluejay tracksters swung into a steady training grind on Monday, March 23. With but three weeks to prepare for the first meet of the outdoor season, the Kansas Relays, which will be held at Lawrence on April 18, the Wynnesters are circling the track nightly with a determination that forecasts a successful season for the Blue.

At the Kansas Relays, Creighton will be represented by a squad of ten

#### COME ON, YOU TRACK MEN.

Coach Wynne issued a call for about forty more candidates last Monday morning. With one of the best cinder tracks in the West, we should have over seventy-five men out every night. There's no excuse for staying away from track unless you have a broken leg. Come on, you tracksters! Get out tonight.

men. Entries will be listed in five events. A strong relay team will be sent to represent Creighton in the two mile feature relay, while the Bluejays will also be entered in the hundred-yard dash, broad jump, discus throw and the shot put.

At the Drake Relays, which will be staged a week later, the above entry list will be duplicated. The Drake meet is the premier event of the western outdoor season, and will draw thousands of cinder path experts from every state in the Union.

A squad of fifteen men will be sent to the Dakota Relays, which will be held at Sioux Falls on May 2. Included in this number will be three teams, which will be entered in the half-mile, mile and two-mile events.

The next meet on the Bluejay schedule is the North Central Conference meet, which will be held at Morning-side Stadium on the 22nd and 23rd of May. This is feature meet on the Blue schedule, and one for which the Creighton runners will be pointed all season. The Bluejays will have to do some fast stepping if they want to retain the laurels which they won last year at Brookings, for reports come from the other conference schools that track is commanding the entire attention of our most formidable opponents. The two South Dakota schools and Des Moines are expected to furnish the major part of the opposition for last year's champs.

As a wind-up to the spring campaign, several men will be entered in the "Big Ten" meet, which will be held either in Chicago or Iowa City on June 5 and 6. Coach Wynne has not yet decided what events his men will compete in at the "Big Ten" meet.

—BUY A BAG OF CEMENT—

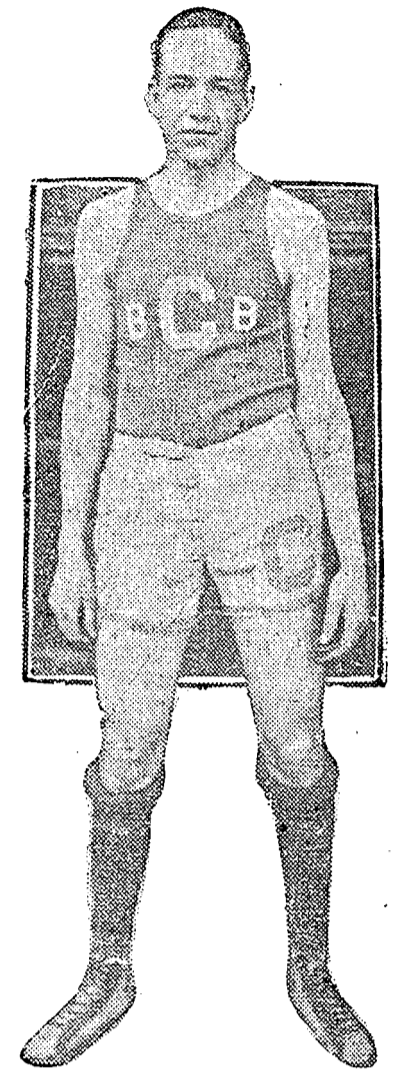

DOPE FIEND.  
 Many good "MANS" appear on the three conference selections which may be noted in this issue. The most prominent "MAN" on the three teams is TrautMAN. Then we have CouchMAN, CorenMAN and HinMAN. If we had a few more "MANS," we could choose a real "MAN" team. (Clipped from the columns of the "Spectrum.")

Just to add a dash of color to the second team, Greenfield and Redfield are chosen at forward and center, respectively. Needless to say, Greenfield attends the Agricultural school.

### He Will Captain 1926 Basketball Team

FRANK RYAN

Four Creighton hoopsters were awarded places on the all-conference team selected by the "Spectrum," the North Dakota Agricultural college publication.

First team:  
 Mahoney, Creighton, forward.  
 Trautman, Creighton, forward.  
 Blakely, North Dakota A. C., center.  
 Speicher, Creighton, guard.  
 Arnold, North Dakota A. C., guard.  
 Corenman of the Bluejays is placed at guard on the second squad, and Ryan, captain-elect of the Creighton quint, is given honorable mention.

Little Alphonse says: "Now that the elections are over, it's time for the 'I told you so' club to open its annual session."

"That ain't fair," cried the conductor, as the passenger proffered him a nickel. L. J. T.

### RYAN NAMED 1926 BASKET CAPTAIN

Star Forward To Pilot Champion Bluejays Next Season

At a meeting of the Bluejay letter men last Sunday, Frank Ryan, Freshman Law student, was elected captain of the 1925-26 quint. Next year will be Ryan's last as a member of the Blue five. He played a consistent game at forward on the Schabinger quint until Mahoney was declared ineligible, when he was moved to the center position. At both posts Ryan showed a brand of basketball that made him a marked man. His fight and unbounded nerve were invaluable assets against all of Creighton's opponents on the court.

#### No Paper Next Week

Owing to the fact that Easter recess begins in some of the colleges on April 7, there will be no issue of The Creightonian next week. The issue of April 17 will be circulated to 18,000 alumni readers.

#### PREP BASEBALL TEAM

The 1925 Prep baseball team will be built around a quartet of veterans from last year's nine, according to Knute Drennan, coach at Creighton High. Schulte, a twirler; Sullivan, first base; Nussarella, third, and Jearens, an outfielder, are the only representatives of the 1924 squad, but with a determined host of candidates out for berths, Drennan is confident of turning out a winning team.

Caniglia, Fuxa, Halpine and Cuva, substitutes of last season, will again be in uniform, while Dinan, Dempsey, pitchers, and Hart, a relief catcher, will bolster up the battery department.

Tuesday evening, Drennan issued the first call for practice which was held on the Thirty-second and Dewey playing field, and from the manner in which the embryonic big-leaguers were swatting and nabbing the horsehide sphere, a champ team in baseball seems to be in the making for Prep.

### To Lead Trackmen In Spring Meets

CLEWON ("STEW") STEWART

### TENNIS TOURNAMENT TO BE HELD APRIL 20

The all-University spring tennis tournament will begin on April 20, according to an announcement by L. W. McGahan, Freshman Coach and physical director, last Monday. The meet is open to all students of the university. The winners in this tournament, ranking above freshmen, will be candidates for the university tennis team which will represent Creighton at the North Central meet which will be held at Sioux City on May 22 and 23.

Those who wish to enter the tournament can do so by filing their entries at the gym before April 16.

The winners of both the singles and doubles matches will be awarded gold medals.

### INTRAMURAL RELAY DATE ANNOUNCED

April 17 Fixed As Day For Department Five Mile Event

April 17 has been set as the date for the inter-department five-mile relay meet which will initiate the new Creighton track. The relay, which will consist of forty two-twenty dashes, will be entered by teams representing each of the colleges.

To the team that wins the relay a handsome silver loving cup will be presented. This cup will be retained by the winning team until next year, when it will again be contested for. The team that wins the cup three years in succession will be allowed to retain it permanently.

The only rules governing the competition are to the effect that no varsity track letter men or any members of the present varsity track squad are eligible to compete.

A list of the managers appointed by Freshman Coach McGahan is presented in this issue of the Creightonian. The managers are requested to organize their squads as soon as possible and condition their men for the meet. The track will be open to the men at all times.

A list of managers follows:  
 Arts: Clarence Schemmer and John Gillin.

Commerce: Howard Wolff and James O'Brien.

Dentistry: John Bertoglio and George Mullen.

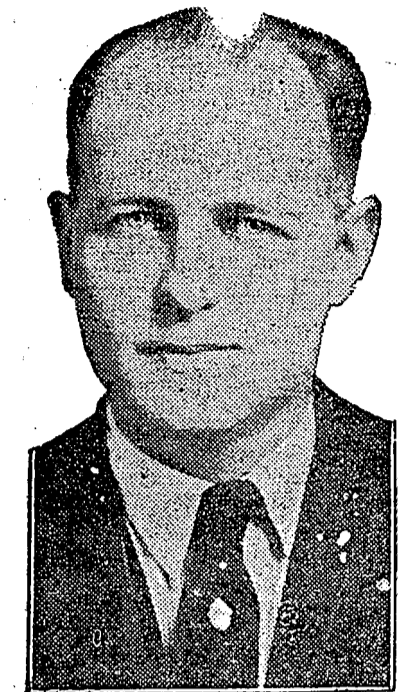

Law: Emmet Grant and Stuart Neary.

Medicine: "Heinie" Lower and Rupert Raney.

I. J. CORTRIGHT

### STUDENT OFFICERS TO INSPECT R. O. T. C.

The college unit of the R. O. T. C. is divided into two competitive companies. After June 1, these companies are to be inspected each month by the student officers, and the winning company will be presented with a banner. This trophy will remain in this company's possession until its competitor receives a higher rating. The judging of the companies was formerly carried on by the Military instructors.

### NORTH DAKOTA AGS CHOOSE NEW COACH

argo, N. D., Mar. 26.—Notre Dame, Ohio State, Michigan, Wisconsin, Creighton and other universities and colleges known for their athletic prowess are among the schools over which the football teams coached by I. J. Cortright, newly appointed football coach and athletic director at the North Dakota Agricultural college, has wins to his credit.

While Cortright was captain of the Michigan Aggie team in 1910 his team defeated Notre Dame. In 1915, when he was coaching South Dakota university, his team lost to Notre Dame by a score of 6-0. But in 1918 he secured a win over the Irish. Ohio State was defeated in 1912 by a Cortright-coached Michigan Aggie team. Michigan and Wisconsin fell victims to the Aggies in 1913.

In 1914 Cortright became coach at South Dakota U and that year his gridiron outfit played Nebraska, one of the strongest teams of the west, to a scoreless tie. During the next two years teams coached by Cortright defeated North Dakota U twice, Creighton twice, Montana once and Morning-side and South Dakota State twice each.

The new Bison coach won eight letters while a student. He captained in his senior year the basketball and football teams. His football playing experience was in four positions—end, quarterback, fullback and half. He played second base and shortstop on the baseball nine.
