ST. JOHN'S CHURCH FAMILY Liturgy Series Program: The Family Liturgy Series is a parish program combining liturgical experience with catechesis for the children and adolescents of St. John's parish. The focus of this program is to enhance the meaning of the Liturgy for young people on a regular basis by building community. A lectionary-based curriculum is used with the Sunday readings which are presented in a format that young people will be able to listen to and discuss at their particular level of understanding. Participants have their own class meetings and then join their families upstairs for the remainder of Mass at the Offertory. Children and adolescents are welcome, whether attending public or

Catholic schools. Registration for the Family Liturgy Series will continue through August. Sign-up forms are available at the church entrances. Volunteer teachers also are needed. For more information, call the Parish Office at x3031.

CONFIRMATION CLASS Now Forming: Families with 7th, 8th and 9th graders are invited to participate in St. John's parish program to prepare for Confirmation in the Spring of 1997. To register, call the Parish Office at x3031.
