DEPARTMENT OF MATHEMATICS

My dear Emmett:

Orders have been placed

as per your request for the following:

1000 to Fr. Ford, St. Augustines Church,

Muskogee, Oklahoma

1200 to Fr. Thos. J. Tobin, All Saint's Ch.

Portland Oregon.

Those are might, fine letters that came

from you this morning, Emmett & it

looks as though business is picking up.

The possibility of getting the Newman

Clubs of the U.S., as distributing points

in the vast field of secular education

is most promising

Have sent the last 13th of letters on

to Win & the girls & will send them back

to you in due time.

From the letters received it seems  
That the brochure is sticking home &  
with considerable force. The momentum  
is bound to pick up. Tremendous  
good for God & Country will result.  
It should I take a death-blow to  
racial prejudice within the Catholic  
fold at least.

More power to you Emmett  
I'd bless your efforts.

In Christ  
John
