One of the members of the club, Peggy Fitten from Kansas City, and Mickey Miller a fellow Kansas Citian, were here at the Center last weekend. Peg told us of the prejudice and segregation in her home town end that little or nothing was being done to correct the situation. However Peg has hopes of starting a Deporres Club there.

Other visiteres to the Center during the past 2 weeks were: John Jamieson, Kansas City. Mr. & Mrs. Jess Pemberton, Lincoln Ann Lammers, Bartington; Francis Benedict, group.

Richard and Martin Measing of Shelby Nebraska, and Lynn Sauppe, Shelton, Iowa.

Lynn spent 4 days working with us.

Some amateur (but very good) interior decorators rand wild last wosk and the result is a beautiful coat of grey paint in the kitchen. Jerry, our newest staff worker, did a marvelous job on the store room with a little white wash and much elbow grease.

May your charity and our efforts be united so that we together may fight our common enemy, Jim Crow, and help return to a cold world a Christ-like charity towards our fellowman.

Several educational films have been made available to us for the neighborhood children. Now all we need is the use of somene's 16 mm projector (with sound) and we could have a weekly movie.

Watch the bulletin for further information about Father George Dunne's Famous Play TRIAL BY FIRE, which the Club hopes to present in collaboration with a local YWCA
