Grievance, Sausage Dept.

Invite sousetime, ago  
we had a incident where  
part of the gang and one  
of the youngest members  
8th. Mahtacek worked a  
couple hours overtime.

Maurice Fey and Miles  
Sekera was left out so  
they complained. Mike  
Fischer at that time  
said he would see to  
it that they would get  
the same. Last week  
me had the same story  
again. The chance was  
there but these two were  
left out again, although  
Ed. Machasck was on  
vacation at this time

A week before wish  
would be Aug. 11 to 26  
the youngest member  
Ed. Machacek received  
two hours more than  
the whole gang itself.  
we feel this practice of  
unequal distribution  
of hours in the guiding  
room should be look into  
and corrected imediately
