

Aug. 12, '43.

My dear Jim: Your fine letter has just come & I am delighted to know you have all those letters that I asked for. I'll return them all to you for your scrap book as soon as I finish with them. "Dad" Ingles has been promoted to Chief Signal Officer of the whole Army - don't know what his rank is now. You might include his letter with the others. More later. Love to all,
John
