My dear John:

Thanks for a wonderful visit. In Chicago I jumped right from the Omaha train on to the Milwaukee train. I was in my room ready for Mass at 10:30 a.m. I slept a good eight hours after leaving Omaha. I hope you got home OK and were not too tired. Enclosed are

P.S. Merry James - Wm

a number of items for Denny. I thought you might like to see them before giving them to him. Moreover, I am not too sure of his address and wouldn't want them lost. The copy of "The Church at Work" is the only copy I have.

When I get into the mood I will slowly start to write what comes to mind following a chronological order. I may even get to enjoy it. You may likewise. I will try to dig up all the old bound copies of the Chronicle & Interracial Review.

Love,
Wm
